2009 Qualifying Competition Season

TECHNICAL ANNOUNCEMENT

1. GENERAL

The 2009 U.S. Figure Skating Qualifying Competition Season consists of a total of 14 events. These include 12 qualifying events (9 Regional Championships, 3 Sectional Championships), the 2009 U.S. Junior Championships (Juvenile & Intermediate) and the 2009 U.S. Figure Skating Championships (Novice, Junior & Senior). All 14 events are sanctioned by U.S. Figure Skating and conducted according to the most current U.S. Figure Skating rulebook, 2009 edition, with changes and clarifications as posted on the U.S. Figure Skating website and this announcement. Compliance with these rules as updated or amended is the responsibility of the participants. U.S. Figure Skating reserves the right to incorporate revisions to the International Judging System (IJS) made by the ISU for junior and senior events and by U.S. Figure Skating to novice events and below.

The Qualifying and National Championship Competitions are only open to competitors who are: (1) Current members of U.S. Figure Skating, (2) Who meet the eligibility requirements according to U.S. Figure Skating Rule 3035, (3) Who meet all age and test requirements pertaining to the event you are entering, and (4) Who meet the citizen and residency requirements as stated in Rule 3065.

Non-U.S. Citizens who have already received a letter of permission from the Chair of the Competitions Committee and were accepted to compete in the U.S. Figure Skating qualifying system are eligible to register. All other non-U.S. citizens seeking eligibility must meet the requirements set forth in Rule 3065.

Important Notice for all Coaches (New)

NEW PROCESS THIS YEAR! All coaches will have to comply with the coaches' registration policy in order to be allowed to instruct/coach at all qualifying competitions. Coaches will need to check-in at the registration desk and show proof of registration plus membership in both U.S. Figure Skating and PSA in order to receive a credential. Each LOC will ask to see each coach's registration and membership cards at check-in. A list of all coaches who have successfully registered will be available at <http://www.usfigureskating.org/content/2008-09%20Registered%20Coaches.pdf>. If they have not registered, they will not be allowed a credential. No exceptions.

Important Notice for all Pairs and Dance Teams

All pairs and dance teams will begin their qualifying at their respective sectional championships (unless they have been notified of a bye advancing them directly to the U.S. Championships). These events will no longer be offered at the regional championships.

For all juvenile and intermediate pairs and dance teams, it is a requirement (not an option like 2008) for the 2009 qualifying season that all of these teams compete at the sectional championships. The top eight teams from each sectional championship will advance to the 2009 U.S. Junior Championships.

For the 2009 competition season, the 12 qualifying events are:

TECHNICAL DETAILS

A. CONDUCT OF EVENTS

For the 2009 season, all events and levels at all championship competitions (regional, sectional, U.S. Junior Championships, U.S. Championships) will be conducted in accordance with the International Judging System (IJS).

B. AGE and TEST QUALIFICATIONS

All age and test requirements can be found in the U.S. Figure Skating Rulebook starting with Rule 3640 (senior singles) and on the U.S. Figure Skating website at http://www.usfigureskating.org/New_Judging.asp?id=311.

C. TECHNICAL ELEMENTS

The well-balanced program charts for all levels and disciplines are posted on the U.S. Figure Skating website at http://www.usfigureskating.org/New_Judging.asp?id=311. As referenced earlier in this announcement, U.S. Figure Skating will incorporate all changes made by the ISU in regards to well-balanced programs. Please refer to this website often for continuous updates.

All competitors entering into the 2009 Qualifying Competition Season are required as part of their online registration to submit a planned program content sheet (PPCS) detailing the elements in their program(s). You may update your PPCS at www.usfsaonline.org up to one week prior to the start of your competition.

D. MUSIC

COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program/original dance and free skate/free dance: Composer, Orchestra, Duration of Music, Record Label/Number (Optional but highly recommended if obtainable).

COMPACT DISCS (CD'S)

For all qualifying events during the 2009 season, CDs are the only acceptable forms of media. **Cassettes will NOT be accepted.** CDs must be clearly marked with name, event entered and the music length. **Each CD must have only ONE (1) track on it. In the case of short and long programs, two (2) separate discs must be used.** Any disc with more than one (1) track will **NOT** be accepted! Lead in time (time before the music begins) on CDs may not exceed two (2) seconds. Each CD must be in a standard hard sided "jewel case" or CD sleeve, also labeled with the skater's name and event. Jewel cases and CDs that are not properly identified will **NOT** be accepted. **Due to compatibility and reliability reasons music may NOT be submitted on re-recordable "CD-RW" discs.**

Competition music must be turned in at the registration desk at the time of registration. At the regional championships, competitors will not receive their credentials at registration until they turn in their music. The originals used at regionals will be forwarded to sectionals and the U.S. Junior Championships for those advancing. The originals used at sectionals will be forwarded on to the U.S. Junior Championships/U.S. Championships for those advancing.

All competitors must have at least one (1) additional copy rinkside at practice sessions and during the actual competition event. The LOC will accept no responsibility for damage or loss.
